Document received by the MI Wayne 3rd Circuit Court.

KROGER SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of March 22, 2024 (the *"Agreement")*, sets forth the terms of settlement between and among the Settling States, the Participating Subdivisions, and Kroger (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Kroger, and the Participating Subdivisions. This Agreement will then be filed as part of a Consent Judgment in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

I. Definitions

Unless otherwise specified, the following definitions apply:

A. *"Additional Remediation Amount."* The amount available to the Settling States totaling up to $8,000,000.00, to be paid in accord with the payment schedule at Exhibit M-3.

B. *"Adjusted State Remediation Payment."* The State Remediation Payment reduced by the Overall State Allocation for each Non-Settling State on Exhibit F.

C. *"Agreement."* This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.

D. *"Alleged Harms."* The alleged past, present, and future financial, societal, and public nuisance harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Released Entities.

E. *"Allocation Statute."* A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that Settling State and/or its Subdivisions. An Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

F. *"Annual Fees Payment."* The amounts payable by Kroger in each Payment Year comprised of the State AG Fees and Costs payment, the Additional Remediation Amount payment, and the Private Attorney Fees payment, and not including the Annual Remediation Payment.

Document received by the MI Wayne 3rd Circuit Court.

G. "*Annual Remediation Maximum.*" The total amount available to Eligible States for Annual Remediation Payments in each Payment Year as set forth in the "Maximum Annual Remediation Payment" column of Exhibit M-1. In no event shall an Annual Remediation Payment in Payment Years 1-2, or 5-10 exceed the Annual Remediation Maximum for that Payment Year set forth in Exhibit M-1. For Payment Years 3-4, the Annual Remediation Payment may exceed the Annual Remediation Maximum for that Payment Year only to the extent needed for the Incentive Payment A Catch-up Payment for a Settling State that has not earned some or all of Incentive Payment BC in prior Payment Years, having resulted in correspondingly lower Annual Remediation Payments in those prior Payment Years. H. "*Annual Remediation Payment.*" The amount payable to the Settlement Fund by Kroger for Settling States' Base Payments and Incentive Payments on the Payment Date for each Payment Year, as calculated by the Settlement Fund Administrator.

For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Remediation Payments by Kroger under this Agreement) shall not constitute a Bar.

M. "*Case-Specific Resolution.*" Either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A Settling State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

CCCC. *"Statutory Trust."* A trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from the Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A Settling State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such Settling State's Settlement Fund, but this is not required.

DDDD. *"Subdivision."* Any (1) General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a Settling State, and (2) any other subdivision, subdivision official (acting

in an official capacity on behalf of the subdivision) or sub-entity of or located within a Settling State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, Nonfunctioning Governmental Units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. "General Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.[2] The three (3) General Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.[3] "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.[4] References to a Settling State's Subdivisions or to a Subdivision "in," "of," or "within" a Settling State include Subdivisions located within the Settling State even if they are not formally or legally a sub-entity of the Settling State; *provided, however*, that a "Health District" that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

EEEE. "*Subdivision Allocation Percentage.*" The portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V if it becomes a Participating Subdivision. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each Settling State shall equal one hundred percent (100%). Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement,

Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

FFFF. *"Subdivision Fund."* The component of the Settlement Fund described in Section V.A.

GGGG. *"Subdivision Settlement Participation Form."* The form attached as Exhibit K that Participating Subdivisions must execute and return to the Implementation Administrator or Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision's claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision

HHHH. *"Threshold Motion."* A motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

IIII. *"Total Unearned Incentive Payments."* As defined in Section IV.H.7.

JJJJ. *"Trigger Date."* In the case of a Primary Subdivision, the Reference Date. In the case of all other Subdivisions, the Preliminary Agreement Date.

II. Participation by Eligible States and Condition to Preliminary Agreement

A. *Notice to Eligible States.* On March 25, 2024, this Agreement shall be distributed to all Eligible States. The Attorneys General of the Eligible States shall then have until April 24, 2024 to decide whether to become Settling States. Eligible States that determine to become Settling States shall so notify Kroger and shall further commit to obtaining any necessary additional state releases prior to the Reference Date. This notice period may be extended by written agreement of Kroger and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A, Kroger shall determine whether, in its sole discretion, enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII. If Kroger determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Kroger determine that this condition has not been satisfied, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by Eligible States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Kroger and the Enforcement Committee. If an Eligible State becomes a Settling State more than sixty (60) calendar days after

Document received by the MI Wayne 3rd Circuit Court.

the Preliminary Agreement Date, but on or before the Reference Date, the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of the Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after the Reference Date.

D. *Litigation Activity.* Following the Preliminary Agreement Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Kroger, including by jointly seeking stays or, where appropriate, severance of claim against Kroger, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Remediation Payments*

1. Kroger shall make eleven (11) Annual Remediation Payments, each comprised of Base Payments and Incentive Payments as provided in this Section IV and as determined by the Settlement Fund Administrator as set forth in this Agreement, *provided that* the Annual Remediation Payment in Payment Year 1 shall consist solely of Base Payments. The payment schedule for the Annual Remediation Payments is attached hereto as Exhibit M-2.

2. In no instance shall Kroger's Annual Remediation Payment obligation exceed the Annual Remediation Maximum, reduced for Non-Settling States, except as specified in the definition of "Annual Remediation Maximum" for Payment Years 3, 4, and 11. In no instance shall the sum of Kroger's Annual Remediation Payment obligations for Payment Years 1-11 exceed the sum of Kroger's Annual Remediation Maximums for Payment Years 1-11, reduced for Non-Settling States.

C. *Settlement Fund Payment Process*

1. To determine each Annual Remediation Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of sixty (60) days prior to the Payment Date for each payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for

Document received by the MI Wayne 3rd Circuit Court.

distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. Determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the Settling State is entitled by applying the criteria under Section IV.F, Section IV.G, and Section IV.H;

b. applying any offsets, credits or reductions as specified under Section IV and Section XII;

c. determining the total amount owed by Kroger to all Settling States and the Participating Subdivisions listed on Exhibit G; and

d. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Remediation Payment pursuant to Section V among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

3. If, no later than fifty (50) days prior to the Payment Date, Kroger and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Kroger shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2. If the Settlement Fund Administrator is not so informed, it shall give notice to Kroger, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Kroger, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Remediation Payment or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the

Document received by the MI Wayne 3rd Circuit Court.

Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Kroger shall pay the adjusted amount, collectively totaling that year's Annual Remediation Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Kroger of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Annual Remediation Maximum. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Remediation Maximum.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Kroger into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the

Document received by the MI Wayne 3rd Circuit Court.

allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

6. The Settlement Fund Administrator may combine the disbursements of Annual Remediation Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

7. For the avoidance of doubt, a Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Procedure for Annual Remediation Payment and Annual Fees Payment in Payment Year 1*. The process described in Section IV.C shall not apply to Payment Year 1. The procedure in lieu of Section IV.C for Payment Year 1 is as set forth below:

1. The Payment Date for Payment Year 1 is March 31, 2024. Kroger shall deposit into a segregated interest-bearing bank account it establishes the "Maximum Base Payment" for Payment Year 1 as specified in Exhibit M-2. Kroger shall also deposit into two (2) separate segregated interest-bearing bank accounts it establishes: (a) the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 as specified in Exhibit M-3; and (b) the sum of the "State Cost Fund," the "Maximum State Outside Counsel Fee Fund," and the "Maximum Additional Remediation Amount" for Payment Year 1 as specified in Exhibit M-3. Kroger shall separately account for the interest earned on each of the three (3) accounts.

Document received by the MI Wayne 3rd Circuit Court.

2. Kroger shall provide proof to the Enforcement Committee of the deposits required by Section IV.D.1 by March 31, 2024. Kroger shall not remove any money from the segregated bank accounts, except as provided by Section IV.D.3 and Section IV.D.4.

3. In the event that an Eligible State does not agree to become a Settling State by the Preliminary Agreement Date, such State's share of the funds held in the segregated bank account holding the "Maximum Base Payment" for Payment Year 1 shall immediately revert to Kroger. This amount shall be calculated by multiplying the aggregate Overall Allocation Percentage attributable to Eligible States that have not agreed to become Settling State by the Preliminary Agreement Date by the "Maximum Base Payment" amount specified in Exhibit M-2 for Payment Year 1. In the event that, in accordance with the terms of Section VIII.B, Kroger determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the segregated bank accounts shall immediately revert to Kroger.

4. If the condition set forth in Section VIII.B is met, Kroger shall transfer into the Settlement Fund, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Base Payment" for Payment Year 1 (including all interest accrued on that account) plus the total amount of the Base Payment owed in Payment Year 1 for the Eligible States that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date, which shall be calculated by multiplying those Settling States' Overall Allocation Percentage by the amount specified in Exhibit M-2 for Payment Year 1. If the condition set forth in Section VIII.B is met, Kroger also shall transfer into the relevant funds as directed by the Enforcement Committee, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 (including all interest accrued on that account), and the amount in the segregated account holding the sum of the "State Cost Fund," the "Maximum State Outside Counsel Fee Fund," and the "Maximum Additional Remediation Amount" for Payment Year 1 (including all interest accrued on that account), except that any reductions provided by Section IX.B and Exhibits R, S, and T shall revert to Kroger. Kroger shall provide an accounting to the Enforcement Committee of the transfers, including Statewide Payment Amount for Payment Year 1 for each Eligible State that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date.

5. The Annual Remediation Payment for Payment Year 1 transferred by Kroger into the Settlement Fund pursuant to Section IV.D.4 shall be disbursed by the Settlement Fund Administrator after the Effective Date to each Settling State and to its Initial Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4 through Section IV.C.7; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that Settling State.

Document received by the MI Wayne 3rd Circuit Court.

E. *Payment Date for Payment Years 2 through 11.* The Payment Date for Payment Year 2 is March 31, 2025. The Payment Date for Payment Years 3 through 11 shall be each successive March 31. The Annual Remediation Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Remediation Payments to the Settlement Fund for Non-Settling States.* An offset equal to $1,200,000,000 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Kroger to the Settlement Fund. For the avoidance of doubt, the Adjusted State Remediation Payment is calculated in a way that reflects this offset. The Base Payments and Incentive Payments are also subject to offset and reduction as provided in Section XII.

G. *Base Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Kroger shall make Base Payments into the Settlement Fund in an amount equal to thirty-eight percent (38%) of the Adjusted State Remediation Payment. The maximum total for Base Payments is $456,000,000. The Base Payments shall be due in installments consistent with Exhibit M-2 over the eleven (11) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. The Base Payment for any Settling State in each Payment Year shall be the Base Payment for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F.

H. *Incentive Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Kroger shall make potential additional incentive payments totaling up to a maximum of sixty-two percent (62%) of the Adjusted State Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $744,000,000.

2. A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. With the exception of the Incentive Payment Earn-Back, the maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F. With the exception of the Incentive Payment Earn-Back, Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be divided among four (4) categories, referred to as Incentive Payments A, BC and D, and the Incentive Payment Earn-Back. Incentive Payments A and BC will be due in installments over the ten (10) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over Payment Years 6 through 11, as shown on Exhibit M-2. The Incentive Payment Earn-Back will be

Document received by the MI Wayne 3rd Circuit Court.

due, if earned pursuant to Section IV.H.7, in Payment Year 11. The total amount of incentive payments in an Annual Remediation Payment shall be the sum of the incentive payments for which the individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A in an Annual Remediation Payment, such Settling State is not eligible for Incentive Payments BC or D in that Annual Remediation Payment. A Settling State that receives Incentive Payment A is eligible to receive the Incentive Payment Earn-Back, if the requirements of Section IV.H.7 are met.

b. Incentive Payment A shall be equal to sixty-two percent (62%) of the Adjusted State Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over ten (10) Payment Years, starting in Payment Year 2, and shall equal a total potential maximum of $744,000,000 if all Eligible States qualify for Incentive Payment A. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State qualifies, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M-2 times the Settling State's Overall Allocation Percentage.

c. Qualification for Incentive Payment A is as follows: A Settling State qualifies for Incentive Payment A if, as of two (2) years of the Effective Date: (i) there is a Bar in that Settling State in full force and effect, (ii) there is a Settlement Class Resolution in that Settling State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a Settling State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iv) a combination of the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (*e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Kroger and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Initial Participation Date.

Document received by the MI Wayne 3rd Circuit Court.

d. A Settling State that does not qualify for Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

e. Kroger shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

f. If a Settling State does not qualify for Incentive Payment A as of the Payment Date for Payment Year 2, and becomes eligible for Incentive Payment A as of Payment Date for Payment Year 3, it shall receive the payment that it would have received for Incentive Payment A for Payment Year 2 (the "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 3. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 3, and becomes eligible for Incentive Payment A as of two (2) years after the Effective Date, it shall receive the payment that it would have received for Incentive Payment A for Payment Years 2 and 3 (also an "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 4. The Incentive Payment A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentive Payment BC prior to the Settling State's eligibility for Incentive Payment A.

g. If Kroger made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the Settling State requalifies for Incentive Payment A through any method pursuant to Section IV.H.4.c, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Kroger in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by Kroger).

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-nine percent (59%) of the Settling State's State Allocation. Incentive Payment BC will be due to a Settling State as part of the Annual Remediation Payment over ten (10) Payment Years, starting in Annual Remediation Payment 2. Subject to Section IV.F, Incentive Payment BC shall equal a total potential maximum of $708,000,000 if all states are eligible.

Document received by the MI Wayne 3rd Circuit Court.

c. A Settling State may earn Incentive Payment BC in Annual Remediation Payments 2 through 11 and may receive, when combined with the Settling State's Base Payment, a maximum of up to ninety-seven 97% of the Settling State's State Allocation. The maximum Incentive Payment BC for any Settling State in a given Payment Year shall be the Incentive Payment BC for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F, provided such Settling State becomes eligible for Incentive Payment BC by sixty (60) days before the Payment Date for Payment Year 6.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC for the Payment Year provided by Section IV.H.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Participation Percentage of Incentive BC Eligible Subdivision Population[5]	**Incentive Payment BC Percentage for the Relevant Payment Year**
Less than 85%	0%
85% or more but less than 86%	3.57%
86% or more but less than 87%	8.93%

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions, or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section X) of the Subdivision to be excluded.

f. For Payment Years 2-5, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date. For Payment Years 6-11, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date for Payment Year 6. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by sixty (60) days before the Payment Date for Payment Year 6, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC because it is not eligible for Incentive Payment A, that Settling State will receive its maximum

Document received by the MI Wayne 3rd Circuit Court.

Incentive Payment BC for that Annual Remediation Payment provided by Section IV.H.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted State Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is $120,000,000.[6]

c. Incentive Payment D shall be paid starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-11 will depend on (i) the Settling State meeting the qualifications set out in Section IV.H.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6.

d. A Settling State qualifies for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the Settling State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that Settling State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's qualification for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date ("*Incentive Payment D Look-Back Date*"). If a Later Litigating Subdivision's lawsuit in that Settling State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that Settling State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

f. The Incentive Payment D for any Settling State qualifying for Incentive Payment D in Payment Years 6-11 shall be equal to between three percent (3%) and ten percent (10%) of the of the State Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F. The

[6] The Incentive Payment BC table specified in Section IV.H.5.e and Incentive Payment D table specified in Section IV.H.6.f operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed sixty-two percent (62%) of the Adjusted State Remediation Payment over the term of the Agreement. Kroger will have no obligation to pay more than $744,000,000 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F.

Document received by the MI Wayne 3rd Circuit Court.

applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6 as shown in the table below:

Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days prior to the Payment Date for Payment Year 6	**Each Eligible Settling State's Applicable Incentive Payment D Percentage**
Participation of less than 95%	10% of State Allocation
Participation of 95% but less than 96%	9% of State Allocation
Participation of 96% but less than 97%	8% of State Allocation
Participation of 97% but less than 98%	7% of State Allocation
Participation of 98% but less than 99%	6% of State Allocation
Participation of 99% but less than 100%	5% of State Allocation
Participation of 100%	3% of State Allocation

g. Incentive Payment D shall be paid in six equal installments. Prior to making the Annual Remediation Payment for Payment Years 6-11, the Settlement Fund Administrator shall determine a Settling State's qualification for Incentive Payment D as of the Incentive Payment D Look-Back Date for that Payment Year. Prior to the Incentive Payment D Look-Back Date for each Payment Year, Kroger may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section IV.H.6.d and Section IV.H.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Kroger in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

7. Incentive Payment Earn-Back. Upon calculation of Incentive Payments A, BC, and D for Payment Year 11, all Incentive Payment amounts that have been unearned by any Settling State under this Agreement for Payment Years 2-11 will be aggregated to determine the Total Unearned Incentive Payments for all Settling States. In Payment Year 11, the Settling States can collectively qualify to receive the Total Unearned Incentive Payments, up to a maximum of 2% of the State Remediation Payment ($24,000,000) (the "Potential Earn-Back Amount"), if there has been no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State that survived more than six (6) months after denial in whole or in part of a Threshold Motion. If, at any point prior to Payment Year 11, any lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than (6) months

Document received by the MI Wayne 3rd Circuit Court.

after denial in whole or in part of a Threshold Motion, no Settling State is eligible for any portion of the Potential Earn-Back Amount. If no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than six (6) months after denial in whole or in part of a Threshold Motion, then the Settling States will receive the Potential Earn-Back Amount in accordance with the Overall Allocation Percentages in Exhibit F.

I. In no event shall any Settling State receive Base Payments and Incentive Payments A, BC, and D totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment. However, if the requirements in Section IV.H.7 are met by the Settling States, a Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Annual Remediation Payments and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to Kroger.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than ninety-five (95%) of Kroger's maximum amount of payments pursuant to Section IV as set forth on Exhibit M-2 over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Kroger how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

Document received by the MI Wayne 3rd Circuit Court.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.G among the Settling States pursuant to Section IV.G.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section IV.H on a state-specific basis. Incentive Payments for which a Settling State is eligible under Section IV.H will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If an offset or reduction under Section XII applies with respect to a Settling State, the offset or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Remediation Accounts Fund, and the Subdivision Fund for that Settling State.

4. Settlement Fund Administrator. Prior to the Effective Date, Kroger and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however,* that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Kroger shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2

Document received by the MI Wayne 3rd Circuit Court.

address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[7] For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Kroger and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the Settling State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that

[7] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

Document received by the MI Wayne 3rd Circuit Court.

Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that Settling State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the Settling State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that Settling State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will directly receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

Document received by the MI Wayne 3rd Circuit Court.

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that Settling State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, the Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that Settling State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that

Document received by the MI Wayne 3rd Circuit Court.

function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (3) has funded or otherwise managed an established health care or treatment infrastructure *(e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small Settling States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee")* to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Kroger and the Enforcement Committee

Document received by the MI Wayne 3rd Circuit Court.

F. *Nature of Payment*. Kroger, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by Kroger constitutes, and is paid for, compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law; and

4. For the avoidance of doubt: (a) the entire Compensatory Restitution Amount is properly characterized as described in Section V.F, (b) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability*. This Agreement is enforceable only by the Settling States and Kroger; *provided, however,* that Released Entities may enforce Section X and Participating Subdivisions listed on Exhibit G have the enforcement rights described later in this paragraph and in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Kroger with respect to either the terms of this Agreement that apply only to or in other Settling States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Kroger with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments

Document received by the MI Wayne 3rd Circuit Court.

that would be allocated to the Participating Subdivisions or the Remediation Accounts Fund in such Settling State; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Kroger consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Kroger believes that the ninety-five percent (95%) threshold established in Section V.B.1 is not being satisfied, any Party may request that Kroger and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to Kroger seeking to reduce its Annual Remediation Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the ninety-five percent (95%) threshold established in Section V.B.1; (ii) only reduce Annual Remediation Payments to those Settling States and their Participating Subdivision(s) that are below the ninety-five percent (95%) threshold established in Section V.B.1; and (iii) not reduce Annual Remediation Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

Document received by the MI Wayne 3rd Circuit Court.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Kroger Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Kroger to make its Annual Remediation Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims; and

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best

Document received by the MI Wayne 3rd Circuit Court.

efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Kroger shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular state's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by Kroger to pay the Annual Remediation Payment or the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between Kroger and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XIII.D;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(ix) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section X.B.4.c;

Document received by the MI Wayne 3rd Circuit Court.

(x) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xi) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Kroger, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Kroger on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Kroger, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Kroger whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

Document received by the MI Wayne 3rd Circuit Court.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Kroger and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Kroger and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and/or Kroger of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Kroger such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Kroger or its affiliates, unless in the event of a default or breach of the payment provisions by Kroger. Nothing in this

Document received by the MI Wayne 3rd Circuit Court.

Section shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Kroger.

H. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand *("CID")* or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Kroger reserve all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means and may be combined with distribution of the Subdivision Settlement Participation Form) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. Up to $1,500,000 of the costs of the Implementation Administrator shall be paid for by Kroger. The Settling States, with the cooperation of Kroger, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however,* that Non-Litigating Subdivisions

Document received by the MI Wayne 3rd Circuit Court.

may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section VIII.B have been met, whichever is later. A Settling State may require each Litigating Subdivision in that Settling State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and/ all Subdivision Participation Agreements shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Remediation Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after January 31, 2025, shall receive seventy-five percent (75%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

Document received by the MI Wayne 3rd Circuit Court.

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however,* that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payment or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its state shall receive twenty-five percent (25%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Kroger.

G. *Ineligible Subdivisions.* Prior Litigating Subdivisions whose claims have already been resolved, Subdivisions located in Non-Settling States, and Subdivisions not located in Eligible States cannot be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Remediation Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed with Settlement—Settling States.* Following the Initial Subdivision Participation Date, the Settling States on the Enforcement Committee shall determine whether to proceed with the Agreement. No later than fifteen (15) calendar days prior to the Reference Date, the Settling States shall provide notice to Kroger and the Enforcement Committee of their decision. If the Settling States elect not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void. Within seven (7) calendar days of informing Kroger that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Kroger.

Document received by the MI Wayne 3rd Circuit Court.

B. *Determination to Proceed with Settlement—Kroger*. If the Settling States elect to proceed, Kroger will then determine on or before the Reference Date whether there is sufficient Eligible State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Kroger and may be based on any criteria or factors deemed relevant by Kroger.

C. *Notice by Kroger.* On or before the Reference Date, Kroger shall inform the Settling States of its determination pursuant to Section VIII.B. If Kroger determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Kroger determines not to proceed, this Agreement will have no further effect, any amounts deposited for Payment Year 1, including funds referenced in Section IV.D.1 and Exhibit M, shall revert to Kroger, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

IX. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. Agreed terms concerning the State Outside Counsel Fee Fund and the State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

B. *Additional Remediation Amount.*

1. Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and subject to the reduction specified in Section IX.B.2, Kroger shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Kroger pursuant to this Section IX.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of Kroger that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

Document received by the MI Wayne 3rd Circuit Court.

C. All payments addressed by this Section IX will be made on March 31 for each Payment Year in which they are due pursuant to Exhibit M-3.

X. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivisions hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

Document received by the MI Wayne 3rd Circuit Court.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Kroger in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section X.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Kroger shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Kroger:

a. Kroger shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Kroger and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement;

c. That Releasor and Kroger shall take steps sufficient and permissible under the law of the state of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Kroger or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

Document received by the MI Wayne 3rd Circuit Court.

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Kroger to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Kroger by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Kroger under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Kroger may devise to hold Kroger harmless from the Claim-Over.

d. The actions of that Releasor and Kroger taken pursuant to paragraph (c) must, in combination, ensure Kroger is not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Kroger may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Kroger shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Kroger harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Kroger may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Kroger shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

Document received by the MI Wayne 3rd Circuit Court.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Kroger (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Kroger.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the Settling State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and

Document received by the MI Wayne 3rd Circuit Court.

instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions, and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the Settling State's Governor. Also for the purposes of clause (3), a release from a Settling State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Kroger to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Kroger on or after the date the Preliminary Agreement Date. This provision shall not require a Settling State to make any monetary payment or adjustment to allocation or incur other obligation.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, workers' compensation Claims, Claims for liability under tax law, Claims under securities law by a Settling State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

XI. Later Litigating Subdivisions

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date, the following shall apply subject to Section XI.B:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Kroger shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Kroger under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Kroger shall confer and use reasonable efforts to

Document received by the MI Wayne 3rd Circuit Court.

promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Kroger shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of the Annual Remediation Payments starting in Payment Year 11 and working backwards.

3. For the avoidance of doubt, any offset pursuant to this Section XI in a Settling State that at the time is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

4. *"Terms requiring payment"* shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions*

1. Section XI.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein.

2. An offset under Section XI.A.2 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XII.

3. Section XI.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* An offset under Section XI.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States*. An offset under Section XI.A applicable to one State shall not affect the allocation or payment of the Annual Remediation Payment to other Settling States.

E. *Litigating Subdivisions in Non-Eligible States.* The Settling States will not encourage, facilitate, or assist in any manner whatsoever claims for Covered Conduct against Kroger in any Settling, Non-Settling, or Non-Eligible State, regardless of whether those claims were filed against Kroger prior to, on, or after the Effective Date.

XII. Other Reductions/Offsets

Document received by the MI Wayne 3rd Circuit Court.

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Kroger shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that Settling State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XI.A with respect to the Subdivision at issue.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If Kroger made any Annual Remediation Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Remediation Payment, Kroger shall receive a dollar-for-dollar offset against the portion of remaining Annual Remediation Payments that would be allocated to that Settling State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Kroger by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from Kroger during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

C. *Certain Taxes.* Amounts paid by Kroger under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against Kroger obligation to pay its share of the Annual Remediation Payment in that Payment Year that would be allocated to the taxing Settling State or its Participating Subdivisions. If such amounts paid exceed the Annual Remediation Payment allocable to the taxing Settling State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its remaining Annual Remediation Payments that would be allocated to the taxing Settling State or its Participating Subdivisions. Kroger represents that as of March 4, 2024, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

XIII. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July

Document received by the MI Wayne 3rd Circuit Court.

1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.4.c and Section IV.H.6.d: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.[8] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Kroger and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *Most-Favored-Nation Provision*

1. If, after the Effective Date, Kroger enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIII.D.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain overall payment terms at least as favorable as those obtained by such Non-Settling State. "Overall payment terms" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Kroger shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Kroger with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the consideration set forth in Section XIII.D.1, the Settling State(s) and Kroger shall engage in the following process:

[8] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

Document received by the MI Wayne 3rd Circuit Court.

a. Within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement agreement or consent judgment to Settling States, the Settling State(s) shall provide notice to Kroger of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the Settling State(s)'s belief that it is entitled to a revision of the Agreement.

b. Kroger shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Kroger do not reach agreement as to the application of Section XIII.D.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.D.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State and Kroger shall be bound by the determination of the National Arbitration Panel of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Kroger, overall payment terms at least as favorable as those obtained by such Non-Settling State.

4. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement with Kroger that is entered into with a Non-Settling State: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Kroger and the Non-Settling State, or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Kroger jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; (c) the earlier of (i) after a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Kroger in the Non-Settling State's case; (ii) after a sanctions ruling against Kroger in the Non-Settling State's case against Kroger; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

Document received by the MI Wayne 3rd Circuit Court.

5. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Kroger and Non-Participating Subdivisions or Non-Participating Special Districts.

6. This Section XIII.D will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

E. *No Admission.* Kroger does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Kroger.

F. *Tax Cooperation and Reporting.*

1. Upon request by Kroger, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Kroger to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by 26 C.F.R § 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Kroger with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. Pursuant to 26 C.F.R. § 1.6050X-1(a) and (b), the Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of 26 C.F.R. § 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Kroger and (ii) any legally required forms, returns or amended returns with any applicable governmental authority, or any returns requested by Kroger, and (b) provides to Kroger a copy of (i) the IRS Form 1098-F filed with respect to Kroger and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such forms, returns, or statements shall be prepared and filed in a manner fully consistent with Section V.F. and as set forth in Section XIII.F.4.

4. Any form, return, amended return, or written statement filed or provided pursuant to Section XIII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any form, return, amended return, or written statement contemplated by this Section

Document received by the MI Wayne 3rd Circuit Court.

XIII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Kroger a draft of such form, return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Kroger on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Kroger nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. Settling States may not assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

Document received by the MI Wayne 3rd Circuit Court.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement

N. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Kroger of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Kroger cannot comply with this Agreement without violating such a requirement or requirements, Kroger shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

P. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.N.

Q. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.R.

S. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Kroger and its respective successors and assigns.

2. Kroger shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Kroger (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Kroger) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Kroger's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless Kroger obtains the

Document received by the MI Wayne 3rd Circuit Court.

acquiror's agreement that it will be either a guarantor of or successor to the percentage of Kroger's remaining Payment Obligations under this Agreement equal to the percentage of Kroger's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Kroger most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.U shall be enforceable solely by the Settling States, and any objection under this Section XIII.U not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

V. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Kroger concludes prior to the Reference Date that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Kroger shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Kroger, along with the signature of at least two-thirds of those then serving as Attorney General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in Settling States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

W. *Termination.*

1. Unless otherwise agreed to by each of Kroger and the Settling States, this Agreement and all of its terms (except Section XIII.Q and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has

Document received by the MI Wayne 3rd Circuit Court.

become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.W.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Kroger and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Kroger and the Settling State shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Kroger and the Settling State shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Kroger and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 11, *provided* that Kroger has performed its Payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.W.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.W.3.

X. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Kroger or against which Kroger is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

Y. *Bankruptcy.* The following provisions shall apply if Kroger enters bankruptcy and (i) the Kroger bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Kroger pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to Kroger) that the financial obligations of this Agreement have been terminated and

Document received by the MI Wayne 3rd Circuit Court.

rendered null and void (except as provided in Section XIII.Y.1.a) due to a material breach by Kroger, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Kroger; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Kroger and the Settling States shall have the right to assert any and all claims against Kroger in the bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided*, *however*, that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Kroger itself; and (ii) in the event the Settling State asserts any Released Claim against Kroger after the rejection and/or termination of this Agreement as described in this Section XIII.Y.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the Settling State has previously received from Kroger under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the Settling State is required to disgorge or repay to Kroger's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Kroger subject to all defenses and rights of the Kroger.

Z. *Waiver*. Kroger, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Kroger's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Kroger's payment obligations incurred hereunder are satisfied in full, Kroger's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that

Document received by the MI Wayne 3rd Circuit Court.

would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

D. *Settlement Fund Administrator*. BrownGreer PLC.

II. Governance of the Settlement Fund Administrator and Directed Trustee

A. *Standing Up of the Settlement Fund Administrator and Directed Trustee.*

i. The Directed Trustee shall establish an interest-bearing trust to hold the Settlement Fund and Settlement Fund Escrow upon each Annual Remediation Payment by Kroger prior to disbursements of each Annual Remediation Payment to Settling States and Exhibit G Participants. The trust shall also hold funds paid by Kroger for the Additional Remediation Amount, and the State AG Fees and Costs prior to disbursements of those funds.

ii. iv. The Settlement Fund Administrator and Directed Trustee will act as independent and neutral third parties to determine the Annual Remediation Payment; administer and disburse funds from the Abatement Accounts Fund, State Fund, Subdivision Fund, and Additional Remediation Amount; and perform other duties as described below and in the Kroger Settlement Agreement.

v. All parties to the Kroger Settlement Agreement are entitled to rely upon information received from the Settlement Fund Administrator and

Document received by the MI Wayne 3rd Circuit Court.

Directed Trustee, whether oral or written. No Party to the Kroger Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Settlement Fund Administrator or Directed Trustee. In addition, no Party to the Kroger Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Kroger based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Settlement Fund Administrator or Directed Trustee. For the avoidance of doubt, nothing in this paragraph alters Sections I to XIII of the Kroger Settlement Agreement or any of the exhibits therein.

B. *Removal of the Settlement Fund Administrator or Directed Trustee*.

i. The Settlement Fund Administrator or Directed Trustee may be removed upon agreement between Kroger and the Enforcement Committee. The contracts with each entity shall describe the process for removing that entity.

C. *Funding of the Settlement Fund Administrator*.

i. The costs and fees associated with or arising out of the duties of the Settlement Fund Administrator shall be paid first from the interest accrued in the trust holding the Settlement Fund.

Kroger will pay its amount to the Settlement Fund Administrator within 30 days of being notified by the Settlement Fund Administrator that the accrued interest is insufficient to pay the costs and fees owed.

iii. Representatives of the Enforcement Committee and Kroger shall negotiate a budget with the Settlement Fund Administrator, which shall be dependent on the scope of services, the number and timing of distributions from the Settlement Fund, and the reporting requirements. Representatives of the Enforcement Committee and Kroger have the right to review the costs and fees of the Settlement Fund Administrator prior to payment and upon request. The deadlines and grounds for reviewing and objecting to such costs and fees will be established in the contract executed with the Settlement Fund Administrator. Disputes regarding the payment of such costs and fees will be resolved by the National

Arbitration Panel in accordance with Section VI.F of the Kroger Settlement Agreement.

iv. Kroger, the Enforcement Committee, and the Settlement Fund Administrator shall agree on a defined list of investments in which the Settlement Fund Administrator may invest the Settlement Fund, which may be updated and amended from time to time in writing by Kroger, the Enforcement Committee, and the Settlement Fund Administrator.

v. Kroger shall not have any liabilities or funding obligations with respect to the Settlement Fund other than the funding obligations expressly set forth in the Kroger Settlement Agreement. For the avoidance of doubt, Kroger shall not be required to further fund the Settlement Fund in the event that the value of the Settlement Fund assets are diminished in any way, through the investment decisions of the Settlement Fund Administrator or otherwise.

III. Participation in the Kroger Settlement Agreement

A. *Repository for Settlement Participation Forms.*

i. The Settlement Fund Administrator is responsible for receiving and preserving the Settlement Participation Forms pursuant to Sections VII.B and VII.C of the Kroger Settlement Agreement. The Settlement Fund Administrator is responsible for ensuring newly received forms are properly executed. For forms accepted by the Implementation Administrator, the Settlement Fund Administrator shall rely on information provided by the Implementation Administrator as to the proper execution of the forms unless it is provided information that indicates such information is incorrect.

ii. Within sixty (60) calendar days of its retention, the Settlement Fund Administrator shall establish a process to receive, preserve, and review the Settlement Participation Forms.

iii. The Settlement Fund Administrator will make the Settlement Participation Forms available to Kroger, the Enforcement Committee, and the Settling States through an online platform. If the requirements for preserving and making available the Settlement Participation Forms change, the Enforcement Committee will convey any new requirements to the Settlement Fund Administrator, which will make the change.

iv. The Settlement Fund Administrator shall promptly respond to requests by Kroger, the Enforcement Committee, or the Settling States for information concerning the Settlement Participation Forms. The Settlement Fund Administrator will notify Kroger and the Enforcement Committee on a regular basis when additional Settlement Participation Forms are submitted unless such information is readily available to the Parties on the online platform established under Section III.A.iii, above.

Document received by the MI Wayne 3rd Circuit Court.

v. Upon reasonable request, the Settlement Fund Administrator shall provide reasonably available information to Settling States, Participating Subdivisions, Fee Panel, and Cost and Expense Fund Administrator relevant to calculating amounts owed under the Settlement Agreement, including amounts owed pursuant to a State Back-Stop Agreement.

IV. Calculation and Allocation of Payments.

A. *General Principles.*

i. This Section IV is intended to implement the relevant provisions of Sections I through XIII of the Kroger Settlement Agreement and the exhibits therein. To the extent this Section IV conflicts with Sections I through XIII of the Kroger Settlement Agreement and the exhibits therein, the Kroger Settlement Agreement shall control.

ii. The Settlement Fund Administrator and Directed Trustee are entitled to rely upon information received from the Parties to the Kroger Settlement Agreement, whether oral or written, for the purpose for which it was submitted, provided that such information is not disputed by another Party.

1. Kroger and a Settling State shall provide the Settlement Fund Administrator notice of agreement, pursuant to Section I.FFF of the Kroger Settlement Agreement, as to populations to be used for fire districts in Settling States where Primary Fire Districts were not identified in connecting with the implementation of the July 21, 2021 Janssen Settlement Agreement.

2. Kroger and a Settling State may inform the Settlement Fund Administrator that they agree the Settling State qualifies for Incentive Payment A. In such cases, such agreement shall satisfy the Settlement Fund Administrator's obligations to determine the Settling State's qualification for Incentive Payment A.

iii. Kroger and the Enforcement Committee may agree to some or all of the calculations and allocations set forth in this Section IV prior to the Settlement Fund Administrator making such determination. In such cases, they shall so inform the Settlement Fund Administrator and such agreement shall satisfy the Settlement Fund Administrator's obligations to determine such calculations and allocations unless the Settlement Fund Administrator is provided with information establishing that the agreed-upon calculation or allocation is inaccurate.

iv. The Settling States have different requirements for how payments are made to the State and its Exhibit G Participants based on applicable State-Subdivision Agreements, Allocation Statutes, Statutory Trusts, State Back-Stop Agreements, fiscal laws, and other differences. The Settlement Fund Administrator shall ask the Attorney General's Office in each Settling State to: (a) inform it whether the State has a State-Subdivision Agreement, Allocation Statute, and/or Statutory Trust; and (b) submit

Document received by the MI Wayne 3rd Circuit Court.

instructions on how payments are to be made to the State and its Exhibit G Participants. The Settlement Fund Administrator shall comply with such instructions so long as it is timely submitted and permissible under Sections I through XIII of the Kroger Settlement Agreement and the exhibits therein.

1. A Settling State may choose to have all funds for the State and its Exhibit G Participants paid to one or more trust funds (such as a Qualified Settlement Fund or similar fund) or state accounts, which in turn will make payments to the State and its Exhibit G Participants in a manner that complies with all provisions of Sections I through XIII of the Kroger Settlement Agreement and the exhibits therein.
2. An Exhibit G Participant may timely choose to make a voluntary redistribution as provided by Section V.D.3 of the Kroger Settlement Agreement by providing notice through the instructions provided by the Attorney General's Office for its State or by providing notice directly to the Settlement Fund Administrator through the instructions provided by the Settlement Fund Administrator.
3. The Settlement Fund Administrator may rely on logistic information, like contact, bank account and tax identification number information, previously collected for purposes of the prior multistate opioid settlement agreements with the Big 3 Distributors, Janssen, Teva, Allergan, CVS, Walgreens, or Walmart for a Settling State and its Exhibit G Participants unless instructed otherwise by the Attorney General's Office, and subject to appropriate data security procedures.

v. The Settlement Fund Administrator shall request any Settling State without a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to submit a designation of a lead State agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund to comply with Section V.D.4.b of the Kroger Settlement Agreement. The designated entity shall be the only entity authorized to request the Settlement Fund Administrator instruct the Directed Trustee to disburse from that Settling State's Abatement Accounts Fund. The Settlement Fund Administrator shall not instruct the Directed Trustee to disburse any moneys from these Settling States' Abatement Accounts Fund without such instructions.

vi. In consultation with Kroger and the Enforcement Committee, the Settlement Fund Administrator may set reasonable limits on the frequency with which it directs the Directed Trustee to make payments and may set other reasonable restrictions on complying with requests made by Settling States or their Participating Subdivisions, to limit the burdens and costs imposed on the Settlement Fund Administrator or Directed Trustee.

Document received by the MI Wayne 3rd Circuit Court.

vii. The Settlement Fund Administrator may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

B. *Payment Year 1 Annual Remediation Payment.*

i. On March 29, 2024, Kroger deposited the Maximum Base Payment for Payment Year 1 of $109,090,909.09 to an account under the control of the Directed Trustee.

ii. The Directed Trustee shall transfer these funds, plus accrued interest into the Settlement Fund, once established. The amount included within the transfer that constituted interest is to be used to pay costs and fees associated with or arising out of the duties of the Settlement Fund Administrator pursuant to Section II.C, above. Prior to this transfer, if Kroger has not already received a refund of $14,788,964.84 which is the portion of the Maximum Base Payment for Payment Year 1 deposited on March 29, 2024 attributable to Eligible States that did not become Settling States, such funds will revert to Kroger, plus accrued interest on this amount.

iii. Appendix 1 to this Exhibit L lists each Settling State's Statewide Payment Amount for Payment Year 1 included within the Maximum Base Payment for Payment Year 1 deposit made on March 29, 2024.

iv. The Settlement Fund Administrator shall allocate the Payment Year 1 Annual Remediation Payment within the Settling States using the Statewide Payment Amount for each Settling State listed in Appendix 1 to this Exhibit L.

1. The Settlement Fund Administrator shall determine the allocations of the Statewide Payment Amount within each Settling State pursuant to Section V.C, Section V.D and Exhibit G of the Kroger Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.

2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Kroger Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Settlement Fund Administrator and such agreement shall satisfy the Settlement Fund Administrator's obligations under Section IV.B.iv.1, above.

3. If the Attorney's General Office in a Settling State does not inform the Settlement Fund Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Kroger Settlement Agreement, the Settlement Fund Administrator shall give notice to

Document received by the MI Wayne 3rd Circuit Court.

the Settling State and its Exhibit G Participants of: (a) the amount to be received by the Settling State; (b) the amount to be received by the separate types of funds for the Settling State (if applicable); and (c) the amount to be received by the Settling State's Exhibit G Participants.

v. The Settlement Fund Administrator shall provide instructions regarding the distribution of the Payment Year 1 Annual Remediation Payment to the Directed Trustee, consistent with the allocations determined in Section IV.B.iv, above, as soon as practicable; *provided, however*, the Settlement Fund Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.B.iv.3, above, until the distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D, below.

vi. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.B.v, above, on, or as soon as practicable after the Payment Date for Payment Year 1 unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that for any Settling State where the Consent Judgment has not been entered, the funds allocable to that Settling State and its Exhibit G Participants shall not be transferred from the Settlement Fund or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; *provided further* that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Kroger Settlement Agreement shall not be disbursed until the Participating Subdivision has secured such dismissal. Kroger shall notify the Settlement Fund Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Kroger Settlement Agreement. If so notified, the Settlement Fund Administrator will notify the Participating Subdivision.

C. *Payment Years 2-11 Annual Remediation Payment.*

i. The Payment Date for Payment Year 2 is March 31, 2025, and the Payment Date for Payment Years 3 through 11 shall be each successive March 31.

ii. The Settlement Fund Administrator shall use the data provided to it by Kroger and the Enforcement Committee, which shall be submitted to the Settlement Fund Administrator no later than sixty (60) calendar days prior to the Payment Date, to fulfill its obligations under this Section IV.C and determine the allocations to Settling States and their Exhibit G Participants.

iii. If, no later than fifty (50) calendar days prior to the Payment Date, Kroger and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation

Document received by the MI Wayne 3rd Circuit Court.

Payment and the Statewide Payment Amount for each Settling State, Kroger shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.iv, below.

iv. If fifty (50) calendar days prior to the Payment Date, Kroger and the Enforcement Committee have not informed the Settlement Fund Administrator of agreed-upon amounts pursuant to Section IV.C.iii, above, the Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State as follows:

1. The Settlement Fund Administrator shall determine, for each Settling State, the amount of base and incentive payments to which the State is entitled.

    a. The base payments will be equal to thirty-eight percent (38%) of the Adjusted State Remediation Payment. These payments will be due in installments consistent with Exhibit M-2 of the Kroger Settlement Agreement over the eleven (11) Payment Years.

    b. The Settlement Fund Administrator shall follow the steps outlined in Section IV.H of the Kroger Settlement Agreement to determine each Settling State's eligibility for Incentive Payments A, BC, and D, and in Payment Year 11 for the Incentive Payment Earn-Back, which total up to a maximum of sixty-two percent (62%) of the Adjusted State Remediation Payment; *provided, however*, Settling States shall have up to two years after the Effective Date to become eligible for Incentive Payment A.

2. The Settlement Fund Administrator shall apply any offsets, credits or reductions as specified under Section IV and Section XII of the Kroger Settlement Agreement, and allocate and track these amounts so that they reduce payments to only those Settling States and their Exhibit G Participants subject to the relevant offset, credit, or reduction.

3. The Settlement Fund Administrator shall determine the amount of any Settlement Fund Administrator costs and fees that exceed the accrued interest in the Settlement Fund, as well as the amounts, if any, of such costs and fees owed by Kroger and out of the Settlement Fund pursuant to Sections II.C.ii, above.

4. The Settlement Fund Administrator shall determine the total Annual Remediation Payment owed by Kroger to the Settlement Fund on the Payment Date, and the amount of the Statewide Payment Amount for each Settling State, consistent with the calculations in Sections IV.C.iv.1 through IV.C.iv.3, above. For

Document received by the MI Wayne 3rd Circuit Court.

the Annual Remediation Payment due in Payment Year 2, the Settlement Fund Administrator shall deduct any amount in excess of $1.5 million Kroger paid for the Implementation Administrator's fees and costs from the amount due.

5. The Settlement Fund Administrator shall give notice to Kroger, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, and these notices shall be subject to dispute pursuant to the procedures provided by Section IV.D.i, below.

v. The Settlement Fund Administrator shall allocate the Annual Remediation Payment (other than the amount owed for Settlement Fund Administrator costs and fees) within the Settling States using the Statewide Payment Amount for each Settling State determined pursuant to Section IV.C.iii or Section IV.C.iv, above.

1. The allocations within each Settling State will be determined pursuant Section V.C, Section V.D and Exhibit G of the Kroger Settlement Agreement, taking into account the instructions it has received pursuant to Section IV.A.iv, above.

2. If a Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Kroger Settlement Agreement, the Attorney General's Office in the Settling State shall so inform the Settlement Fund Administrator and such agreement shall satisfy the Settlement Fund Administrator's obligations under this Section IV.C.v.

3. If the Attorney's General Office in a Settling State does not inform the Settlement Fund Administrator that the Settling State and its Exhibit G Participants have reached consensus as to the intrastate allocation pursuant to Section IV.C.4 of the Kroger Settlement Agreement, as soon as possible following the determination under Section IV.C.iii or Section IV.C.iv, above, the Settlement Fund Administrator shall give notice to the Settling State and its Exhibit G Participants of: (a) the amount to be received by the Settling State (specifying the amount of base payment, of each incentive payment, and of each applicable offset, credit, or reduction); (b) the amount to be received by the separate types of funds for the Settling State (if applicable); and (c) the amount to be received by the Settling State's Exhibit G Participants.

vi. The Settlement Fund Administrator shall provide instructions regarding the distribution of the Annual Remediation Payment to the Directed Trustee, consistent with the allocations determined in Section IV.C.v, above, as soon as practicable; *provided, however*, the Settlement Fund Administrator shall not provide the instructions for an allocation for which notice is required pursuant to Section IV.C.v.3, above, until the

Document received by the MI Wayne 3rd Circuit Court.

distribution is no longer subject to dispute pursuant to the procedures provided by Section IV.D.ii, below.

vii. The Directed Trustee shall distribute the funds consistent with the instructions it received pursuant to Section IV.C.vi, above, on, or as soon as practicable after the Payment Date unless the requests made pursuant to Section IV.A.iv and .v, above, provide otherwise; *provided, however*, that any amounts allocated to a Participating Subdivision that has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Kroger Settlement Agreement shall not be disbursed until the Participating Subdivision has secured such dismissal. Kroger shall notify the Settlement Fund Administrator if it believes a Participating Subdivision has not yet secured dismissal with prejudice of its lawsuit as required under Section VII.C of the Kroger Settlement Agreement. If so notified, the Settlement Fund Administrator will notify the Participating Subdivision.

viii. The Settlement Fund Administrator and Directed Trustee shall be also responsible for allocating and disbursing the Additional Remediation Amount for Payment Years 5-6 among Settling States listed in Exhibit N of the Kroger Settlement Agreement. The Settlement Fund Administrator shall account for the instructions it has received pursuant to Section IV.A.iv, above in directing the Directed Trustee's distribution of this money.

D. *Disputes Regarding Notices.*

i. For a notice provided pursuant to Section IV.C.iv.5, above, concerning the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, the following procedures shall apply:

1. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Kroger, any Settling State or the Enforcement Committee party may dispute, in writing, the calculation of the Annual Remediation Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected. The Settlement Fund Administrator will maintain official contact information for providing a notice of dispute.

2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the basis for disagreement with the notice of dispute.

Document received by the MI Wayne 3rd Circuit Court.

3. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute and shall notify Kroger of the amount of that year's Annual Remediation Payment due on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Kroger of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the Annual Remediation Maximum as set forth in Section IV.B.2 of the Kroger Settlement Agreement. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Remediation Maximum as set forth in Section IV.B.2 of the Kroger Settlement Agreement.

4. The Settlement Fund Administrator shall instruct the Directed Trustee to place any disputed amount of the preliminary amount paid by Kroger into the Settlement Fund Escrow and to disburse any undisputed amount to each Settling State and Exhibit G Participant.

ii. For a notice provided pursuant to Section IV.B.iv.3 or Section IV.C.v.3, above, concerning the intrastate allocation of the Statewide Payment Amount for a Settling State, the following procedures shall apply:

1. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, the Settling State or Exhibit G Participant may dispute, in writing, the calculation of the amount to be received by the Settling State and/or its Exhibit G Participants. The Settlement Fund Administrator shall disregard any dispute that challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O of the Kroger Settlement Agreement or by statute. A disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, and the amount of money that is disputed. The Settlement Fund Administrator will maintain official contact information for providing a notice of dispute.

2. Within twenty-one (21) calendar days of the sending of a written notice of dispute, the Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrator, the Settling State, and any affected Exhibit G

Document received by the MI Wayne 3rd Circuit Court.

Participant identifying the basis for disagreement with the notice of dispute.

3. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

4. The Settlement Fund Administrator shall instruct the Directed Trustee to place any disputed amount into the Settlement Fund Escrow and to disburse any undisputed amount to the Settling State and Exhibit G Participant.

iii. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F of the Kroger Settlement Agreement.

iv. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Kroger, the Settlement Fund Administrator, and the Directed Trustee.

E. *Extensions.*

i. The schedule provided for in this Section IV shall be adjusted based on what is practicable. The Settlement Fund Administrator or Directed Trustee shall provide notice to Kroger and the Enforcement Committee should the Settlement Fund Administrator or Directed Trustee believe that the deadlines provided for in this Section IV need to be adjusted. In such a circumstance, the Settlement Fund Administrator, Directed Trustee, Kroger, and the Enforcement Committee will meet and confer regarding the appropriate timeline, seeking to balance practical realities with the importance of expediting the receipt of funds by the Settling States and their Exhibit G Participants so that they can be used to provide Opioid Remediation.

ii. The deadlines in this Section IV may be extended by the written agreement of Kroger and the Enforcement Committee.

V. Reporting Obligations

A. *Reporting of Non-Opioid Remediation Uses.*

i. The Settlement Fund Administrator shall set up a system to receive and preserve reports from Settling States and Participating Subdivisions that have used monies from the Settlement Fund for purposes that do not qualify as Opioid Remediation, pursuant to Section V.B.2 of the Kroger Settlement Agreement. The Settlement Fund Administrator will not require Settling States and Exhibit G Participants without any such uses of money to submit a report, and the Settlement Fund Administrator may treat the failure to submit a report as confirmation that a Settling State or Exhibit G Participant had no such uses of money. A Settling State may elect to be responsible for reporting on behalf of all of its Exhibit G Participants.

Document received by the MI Wayne 3rd Circuit Court.

ii. Settling States and Exhibit G Participants shall report to the Settlement Fund Administrator the amount of funds received from the Settlement Fund used for purposes that do not qualify as Opioid Remediation (pursuant to Section V.B.2 of the Kroger Settlement Agreement). Such Settling States or Exhibit G Participants shall make such reports to the Settlement Fund Administrator with respect to each six-month period ending on June 30 or December 31 of any year in which funds are received from the Settlement Fund. Such Settling States or Exhibit G Participants shall make each such report within ninety (90) days of the end of the applicable six-month period. The format of these reports shall match the format of the reports Settling States and Participating Subdivisions were required to submit on September 30, 2024 pursuant to the prior multistate opioid settlement agreements with the Big 3 Distributors, Janssen, Teva, Allergan, CVS, Walgreens, or Walmart. The Settlement Fund Administrator shall make such reports available to Kroger and the Enforcement Committee.

iii. The Settlement Fund Administrator shall establish a process by the due date of the first report to make the reporting under this Section V.A available to the public.

iv. Upon request by Kroger, the Settlement Fund Administrator and Directed Trustee shall agree to perform such further acts and to execute and deliver such further documents (including by online platform if requested) as may be reasonably necessary for Kroger to establish the statements set forth in Section V.F of the Kroger Settlement Agreement to the satisfaction of its tax advisors, its independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance. Nothing herein shall be read to conflict with or limit the Parties' obligations under Sections V.F and XIII.F of the Kroger Settlement Agreement.

B. *Qualified Settlement Fund Treatment.*

i. Kroger, the Settlement Fund Administrator, and the Directed Trustee shall agree that the Settlement Fund is intended to be classified as a "qualified settlement fund" within the meaning of Treasury Regulation § 1.468B-1, *et seq*. (and corresponding or similar provisions of state, local, or foreign law, as applicable). The Settlement Fund Administrator or Directed Trustee shall not take any action or tax position inconsistent with such treatment. The Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible, and Kroger, the Settlement Fund Administrator, and the Directed Trustee shall agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

Document received by the MI Wayne 3rd Circuit Court.

C. *Tax Administration.*

i. The Settlement Fund Administrator shall serve as administrator of the Settlement Fund for tax purposes. The Settlement Fund Administrator shall (i) obtain federal and state taxpayer identification numbers for the Settlement Fund and provide the same to Kroger and the Directed Trustee, (ii) seek a Private Letter Ruling from the IRS determining that all investment income earned on the trust assets is excludible from gross income under Section 115 of the Internal Revenue Code, 26 U.S.C. § 115, (iii) be responsible for all tax reporting, withholding and filing requirements for the Settlement Fund, (iv) provide instructions to Kroger and the Directed Trustee for the release of sufficient funds from the Settlement Fund to pay all taxes owed by the Settlement Fund in accordance with Treasury Regulations § 1.468B-2 and any applicable state, local or other tax laws, (v) send copies of all such tax filings and returns to Kroger, the Enforcement Committee, and the Directed Trustee, and (vi) engage, with prior approval from Kroger and the Enforcement Committee, any other professionals necessary to complete these tasks. Kroger, the Enforcement Committee, and the Directed Trustee shall provide such cooperation and information as the Settlement Fund Administrator may reasonably request in performing the responsibilities set forth in this Section V.C.

NOTES TO EXHIBIT M-2:

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn the full amount of the relevant incentive payment.

2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.

3. All figures for the Maximum Annual Remediation Payment reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).

4. Pursuant to the terms of the Settlement Agreement, Kroger will never have to pay both the Maximum Incentive Payment BC and Maximum Incentive Payment D.

5. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

6. A Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage in Year 11 if it is eligible to receive an Earnback Payment. The maximum aggregate Earnback Payment for all Settling States shall be lesser of the Total Unearned Incentive Payments for all Settling States, or $24 million.

EXHIBIT O

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including Alaska.

Document received by the MI Wayne 3rd Circuit Court.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

Document received by the MI Wayne 3rd Circuit Court.

EXHIBIT P

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Kroger shall implement the Injunctive Terms set forth below in Sections II through XVIII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Kroger already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

   a. Kroger will implement or maintain a Controlled Substance Compliance Program ("CSCP").

   b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

   c. The CSCP shall apply during the term of these Injunctive Terms, to each of Kroger's retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

   d. Kroger shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Kroger must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

   e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Kroger and to perform such other roles as set forth herein. Upon the committee's formation, Settling States shall provide notice to Kroger of the members of the committee.

4. Compliance with Laws

   a. Kroger acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those

Document received by the MI Wayne 3rd Circuit Court.

regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Kroger of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Kroger to engage in any acts or practices prohibited by such laws, regulations or rules.

b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Kroger from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Kroger to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.

c. In the event that Kroger determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court ("Express Interpretations"), such that Kroger determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Kroger shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Kroger referenced above, Kroger and the State shall meet and discuss the potential conflict, and Kroger shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Kroger believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Kroger may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Kroger as to the conflict; (ii) be deemed to relieve Kroger from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Kroger from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Kroger of a duty under these Injunctive

Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

d. Kroger shall retain all records it is required to create pursuant to its obligations hereunder for a period outlined in appendix A, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.

5. No Admission and No Use as Evidence. Kroger does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Kroger. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until November 15, 2032, unless otherwise specified herein.

2. Should Kroger operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.[1]

3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Kroger shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Kroger's compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.

3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Kroger's compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Kroger's Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Kroger's Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Kroger shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, or other applicable law related to Designated Controlled Substances. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Kroger shall publish its Hotline contact information to its employees and Patients in the Settling States. Kroger shall maintain for a period outlined in appendix A a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Kroger to investigate a pharmacist's professional judgment to refuse a

prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Kroger's Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Kroger's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Kroger from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Kroger's Controlled Substance Compliance Department shall not report to Kroger's sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

4. Kroger's sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, Kroger's Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

Document received by the MI Wayne 3rd Circuit Court.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Kroger shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Kroger shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Kroger's Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Kroger's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.

3. On an annual basis, Kroger's Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Kroger, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Kroger from implementing changes to the CSCP Policies and Procedures pending such review and approval.

Document received by the MI Wayne 3rd Circuit Court.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Kroger's retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

2. Kroger shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Kroger will further require that every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Kroger shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that (i) Kroger's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of April 2024.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Kroger shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Kroger in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an

Document received by the MI Wayne 3rd Circuit Court.

admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

3. Kroger's CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Kroger's CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Kroger, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Kroger's CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Kroger records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Kroger.

6. Kroger's CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags

Document received by the MI Wayne 3rd Circuit Court.

identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless (a) if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber or (b) if documentation is not possible (e.g., a patient refuses to hand over a non-electronic prescription). Any such records shall be maintained for a period outlined in appendix A. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Kroger's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from a Kroger but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Kroger to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons, or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Kroger's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Kroger shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; and (5) the total number of Designated Controlled Substance prescriptions that pharmacists at the Settling Pharmacy refused to dispense, as reflected in the pharmacy dispensing or other electronic system. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or for other law enforcement purposes, it shall first provide ten (10) days' notice to Kroger unless doing so would conflict with applicable law.

Document received by the MI Wayne 3rd Circuit Court.

2. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Kroger unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.

3. Within the ninety (90) days following the provision of the Annual Data Reports, either Kroger or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Kroger or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Kroger might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (e.g., number of prescriptions, distance thresholds).

    a. If Kroger and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.

    b. If Kroger and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.

    c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.

    d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context

Document received by the MI Wayne 3rd Circuit Court.

of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Kroger's burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.

4. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

   a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;

   b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Kroger pharmacy from more than four other Prescribers, from separate practices, in a given 6-month period;[2]

   c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill a Designated Controlled Substances or any opioid product within a six-month period;

   d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Kroger's pharmacies within thirty (30) days;

   e. The distance between a Patient's residence and the Kroger receiving the Designated Controlled Substance prescription is farther than 50 miles;

   f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription, unless the dispensing pharmacist makes a good faith error in evaluating the distance, and the prescription was not issued pursuant to a telemedicine consultation;

   g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other

Document received by the MI Wayne 3rd Circuit Court.

prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Kroger pharmacist within the past thirty (30) days;

h. A patient pays in cash for a Designated Controlled Substance despite having current prescription drug insurance on file in the Settling Pharmacy's dispensing system for that medication;

i. To the extent personally known by any pharmacy personnel, three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substance medication;

j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.

5. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"

a. A Controlled Substance prescription fails to meet the requirements of law. For the sake of clarity, minor deficiencies in the patient's name, address, date of birth, or contact information are not a red flag if the pharmacist, in his or her professional judgment and usual course of practice, is able to resolve these deficiencies with the patient. Similarly, minor deficiencies in the prescriber's name, address, contact information, or DEA number are not a red flag if the pharmacist is able to resolve these deficiencies with the prescriber;

b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;

d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and

e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

6. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"

a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

Document received by the MI Wayne 3rd Circuit Court.

b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

X. PRESCRIBER REVIEW

1. Kroger shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Kroger's retail dispensing for potential Prescribers of concern.

2. Kroger shall initiate Prescriber Review Process in the following circumstances:

   a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Kroger's retail pharmacy stores in the Settling States;

   b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

   c. Kroger has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's alleged illegitimate prescribing of Designated Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, Kroger may also initiate the Prescriber Review Process when:

   a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;

   b. A Prescriber of Designated Controlled Substances was flagged for review by a Kroger pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Kroger's pharmacies in a Settling State; or

   c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Kroger's retail dispensing.

4. Once Kroger identifies a Prescriber of Designated Controlled Substances for further investigation, Kroger shall review pertinent and available data or information

Document received by the MI Wayne 3rd Circuit Court.

pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Kroger for a period outlined in appendix A. When permitted by law, nothing contained in this Section prevents Kroger from taking immediate action to Block a Prescriber.

5. If after the Prescriber Review Process, those making the decision have not resolved the circumstances that caused Kroger to further investigate the Prescriber, from the perspective of those making the decisions, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Kroger's retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Kroger to seek future reinstatement by providing information to Kroger that may resolve its concerns. Nothing in this Section shall limit the right or ability of Kroger pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by Kroger to Block or not Block a given Prescriber. On written demand, on an annual basis, Kroger shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Kroger shall provide to the Injunctive Relief Committee the number, names and DEA registration or NPI numbers of Prescribers who were: (a) blocked, and (b) the number of prescribers who were reviewed but not blocked.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Kroger shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Kroger and made accessible to all Controlled Substance Compliance Department personnel upon request for a period outlined in appendix A.

2. During the term of these Injunctive Terms, Kroger personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in XI.1. in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.

Document received by the MI Wayne 3rd Circuit Court.

3. During site visits, Kroger's personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

4. Kroger's personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by Kroger and made accessible to all Controlled Substance Compliance Department personnel for a period outlined in appendix A. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Kroger shall maintain information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store for a period outlined in appendix A, if the information is an electronic record. If the information is not an electronic record, Kroger shall only be required to maintain those records for a period outlined in appendix A.

2. In addition to any other reporting obligations under state and federal law, Kroger must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy or other relevant state agency requiring such reports. Each Settling State shall provide contact information in order to receive such reports.

XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform Kroger to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Kroger shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.

Document received by the MI Wayne 3rd Circuit Court.

2. Kroger shall document and for a period outlined in appendix A maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

   a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Kroger is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Kroger violates Kroger's CSCP Policies and Procedures.

   b. Potential Violation Discovered by Settling State.

      i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Kroger in writing (the "State's Notice").

      ii. Within thirty (30) days of receipt of the State's Notice, Kroger shall provide a written response to the Settling State. The response shall include Kroger's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Kroger believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

      iii. If the Settling State wishes to meet with Kroger, Kroger shall promptly make itself available for such a meeting.

   c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Kroger and work in conjunction with Kroger to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

   d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Kroger will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed

Document received by the MI Wayne 3rd Circuit Court.

by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Kroger. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

e. If Kroger fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Kroger. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Kroger's Controlled Substance Compliance Director, or the most senior ranking member of the Controlled Substance Compliance Committee shall, after diligent inquiry, complete an annual compliance certification on behalf of Kroger as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. The certification shall state:

My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive

Document received by the MI Wayne 3rd Circuit Court.

Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my personal knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

XVI. DATA SHARING

1. Kroger shall consent to the provision by its distributors of Kroger's unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Kroger) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Kroger, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Kroger provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Kroger agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Kroger, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Kroger will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Kroger for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by

Document received by the MI Wayne 3rd Circuit Court.

Kroger to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Kroger may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. Kroger and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Kroger contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Kroger's contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by Kroger to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Kroger.

XVIII. FUTURE ACQUISITIONS

1. Kroger agrees to use reasonable best efforts to bring acquired pharmacies into compliance with these injunctive relief provisions in an expeditious manner. In the event that Kroger consummates its acquisition of Albertsons, then the parties shall discuss and agree within thirty (30) days of the transaction closing on a specific time period for bringing Albertsons into compliance with the terms of the injunctive relief provisions herein.

Document received by the MI Wayne 3rd Circuit Court.

A. *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by Kroger to Attorneys under this Fee Agreement shall be up to, but in no event more than, $139,227,851.95, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $82,227,851.95 for the Attorney Fee Fund, as set forth in Section II, and $57,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Expense Fund. The Maximum Attorney Fees, subject to the reductions set forth herein, are $82,227,851.95 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Kroger shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Kroger Agreement.

   a. Notwithstanding this provision, the Parties agree that Kroger will waive $10,600,000 of the $16,833,103.02 in credits Kroger is otherwise entitled to receive under this Fee Agreement for Kentucky and Texas not becoming Settling States by the State Participation Date. The Parties agree that the waiver of these credits by Kroger will satisfy any and all obligations that Kroger may have under the MDL Court's common benefit orders with respect to Texas and Kentucky, including Docket Nos. 4428 and 5100. The Parties further agree that the waiver of these credits by Kroger will allow Tarrant County to be a Participating Subdivision for purposes of receiving the additional abatement proceeds it is eligible to receive from the Subdivision Cost and Expense Fund as provided in Section II.E.7 of this Fee Agreement notwithstanding the fact that Texas is not a Settling State.

   b. Nothing herein shall reduce or otherwise limit the credits that Kroger will receive under this Fee Agreement for Florida and Alaska not becoming Settling States by the State Participation Date. Kroger will receive a $1,192,332.13 credit for Alaska and a $2,146,712.90 credit for Florida under this Fee Agreement.

   c. The Parties have agreed to reduce the total amounts to be paid by Kroger to the Contingency Fee Fund, the Subdivision Cost and Expense Fund, and the Common Benefit Fund as set forth herein. This reduction reflects the Florida and Alaska credits that Kroger will receive ($3,330,045.03 in total), and the portion of the Kentucky and Texas credits ($6,233,103.02 in total) that Kroger will receive. These credits have already been applied to, and are reflected in, the maximum payments by Kroger to these funds as provided in this Fee Agreement.

Document received by the MI Wayne 3rd Circuit Court.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by Kroger shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State, other than Alaska, Florida, Kentucky or Texas, that do not participate in the Kroger Agreement ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below. Any reduction or credit will be applied to the last payment under this Agreement.

4. If Kroger settles with any Non-Settling State after September 8, 2023, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Kroger agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recovery paid as defined in the Court Common Benefit Order (Docket #4428). If Kroger settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after September 8, 2023, then Kroger agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recoveries (the "*Kroger Subdivision CBF Assessment,*" and, along with the Kroger State Settlement CBF Assessment, each a "*Kroger CBF Assessment*"). If (a) Kroger settles with a Non-Settling State after November 1, 2023, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Kroger later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Kroger agrees to deposit the Kroger State Settlement CBF Assessment in the Common Benefit Fund. Any Kroger CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order (Docket #4428). This provision does not apply to any settlements with Texas or Kentucky, since Kroger is agreeing to waive $10,600,000 of the credits it is otherwise entitled to receive under this Fee Agreement for those states not becoming Settling States by the State Participation Deadline.

B. *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund, provided the Contingency Fee Fund shall pay a Contingency Fee of the lesser of the Contingency Fee Contract amount, or 20% of client recovery. Any excess Contingency Fee Fund monies shall revert to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

Document received by the MI Wayne 3rd Circuit Court.

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Orders. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Kroger Agreement. Fees to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain. Notwithstanding this provision, the Parties agree that Tarrant County will be treated as a Participating Subdivision for purposes of receiving the additional abatement proceeds it is eligible to receive from the Subdivision Cost and Expense Fund as provided in Section II.E.7 of this Fee Agreement notwithstanding the fact that Texas is not a Settling State.

5. In no event shall Kroger be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Kroger Agreement, as set forth in Exhibit G to the Kroger Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to

Document received by the MI Wayne 3rd Circuit Court.

hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by Kroger into the Attorney Fee Fund is $49,336,711.17, which reflects the Parties' agreement as reflected in Section A.1.2. regarding credits for Texas, Florida, Alaska, and Kentucky, and in no event shall it exceed that amount. Kroger's maximum potential Common Benefit Fund payments shall be paid on the following yearly schedule:

	Kroger Shall Pay Common Benefit
Year 1 March 31, 2024	$8,880,000
Year 2 March 31, 2025	$8,880,000
Year 3 March 31, 2026	$8,880,000
Year 4 March 31, 2027	$8,880,000
Year 5 March 31, 2028	$8,880,000
Year 6 March 31, 2029	$4,936,711.17
Total	$49,336,711.17

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

Document received by the MI Wayne 3rd Circuit Court.

a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Kroger have also reached a settlement for Released Claims with Kroger, and these settlements are the subject of agreements with Kroger. Attorneys are eligible for Common Benefit consideration provided such agreement with Kroger became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Kroger' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Kroger Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Kroger Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Kroger Agreement, including the Kroger Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Kroger Agreement or not. It is the intent of this provision to recognize that the goal of the Kroger Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more

Document received by the MI Wayne 3rd Circuit Court.

Non-Participating States or Non-Participating Subdivision does not further the goal of the Kroger Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions or Later Litigating States is antithetical to the Kroger Agreement and detracts from Common Benefit; the Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Kroger as set forth in Section II.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Kroger under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Kroger in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Kroger shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

D. *Contingency Fee Fund* (40% of the Attorney Fee Fund)

1. The maximum potential total Contingency Fee Fund payment to be made by Kroger into the Attorney Fee Fund is $32,891,140.78, which reflects the Parties' agreement as described in Section A.1.2. regarding credits for Texas, Florida, Alaska, and Kentucky, and in no event shall it exceed that amount. Kroger' maximum potential Contingency Fee Fund payment shall be paid on the following yearly schedule:

	Kroger Shall Pay Contingency Fee Fund
Year 1 March 31, 2024	$5,920,000
Year 2 March 31, 2025	$5,920,000
Year 3	

Document received by the MI Wayne 3rd Circuit Court.

March 31, 2026	$5,920,000
Year 4 March 31, 2027	$5,920,000
Year 5 March 31, 2028	$5,920,000
Year 6 March 31, 2029	$3,291,140.78
Total	$32,891,140.78

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

   a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.

   b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

3. The amount owed by Kroger to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

4. In the event that after the date of the Kroger Agreement, Kroger, prior to the Effective Date of the Kroger Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions

Document received by the MI Wayne 3rd Circuit Court.

under the Kroger Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited to Kroger, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement. All credits will be applied to the last Payment Year.

5. The Contingency Fee Allocation shall be determined as set forth in the Mathematical Model attached. If after application of the attached model funds remain in the Contingency Fee Fund, such funds shall be transferred to the MDL Common Benefit Fund established by Order of May 9, 2022 (Docket #4428).

E. *Subdivision Cost and Expense Fund*

1. Kroger shall pay $52,000,000, which reflects the Parties' agreement as described in Section A.1.2. regarding credits for Texas, Florida, Alaska, and Kentucky, into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Year 1 March 31, 2024	$10,000,000
Year 2 March 31, 2025	$10,000,000
Year 3 March 31, 2026	$10,000,000
Year 4 March 31, 2027	$10,000,000
Year 5 March 31, 2028	$10,000,000
Year 6 March 31, 2029	$2,000,000
Total	$52,000,000

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of Qualifying Representations of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

3. During the period between **March 22, 2024** and the Effective Date of the Kroger Agreement, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund, shall make best efforts to cease litigation activity against Kroger, including by jointly seeking stays or severance of claims against Kroger, where feasible, or postponements

Document received by the MI Wayne 3rd Circuit Court.

if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Kroger, prior to the Effective Date of the Kroger Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Kroger Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Kroger, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' costs and expenses incurred by Attorneys engaged in Qualifying Representations. The Cost and Expense Fund Administrator shall receive and evaluate applications from Attorneys for the Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims asserted in MDL 2804. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator shall consider reasonable and appropriate payment to the Kroger Bellwethers for client time, costs and expenses. In addition the Cost and Expense Fund Administrator shall have the authority to award additional abatement proceeds to the Kroger bellwethers not to exceed: $20 million for Montgomery, $11 million for Durham, $11.5 million for Cobb County, and $9.5 million for Tarrant County, as additional abatement proceeds. The Administrator shall take into account

Document received by the MI Wayne 3rd Circuit Court.

like payments from other settlement funds when making its determination under this provision. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the MDL Expense Fund for reimbursement of expenses determined and approved at the discretion of the Administrator. If any funds remain thereafter they shall be transferred to the MDL Common Benefit Fund.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Kroger that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to December 31, 2024, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, payment of Subdivision Costs and Expenses to Attorneys is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate Attorneys for the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Kroger shall pay $5,000,000 into the MDL Expense Fund on the Effective Date, on the schedule set forth below.

	MDL Expense Fund
Year 1 March 31, 2024	$5,000,000

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Opiate Capital Account. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions or Non-Litigating

Document received by the MI Wayne 3rd Circuit Court.

Subdivisions. Should the approved MDL Costs and Expenses be less than $5,000,000, the balance shall go to the Subdivision Costs and Expenses Fund.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after the Effective Date of the Settlement, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred by the MDL prior to the Effective Date and that costs were in pursuit of Abatement recovery for Litigating Subdivisions incurred following the public announcement of the Kroger Agreement, including reasonable costs related to the implementation of the Kroger Agreement.

4. At the conclusion of the Opioid MDL 2804 any funds remaining in the MDL Cost & Expense Fund shall be transferred to the MDL 2804 Common Benefit Fund (Dkt #5100).

G. *Eligibility*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

Document received by the MI Wayne 3rd Circuit Court.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Participating Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

   b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, with respect to Released Claims against Released Entities.

   c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.

   d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.

   e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, other than a potential Common Benefit Fee.

   f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating

Document received by the MI Wayne 3rd Circuit Court.

Subdivision concerning fees arising out of or related to the Kroger Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Kroger Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-

Document received by the MI Wayne 3rd Circuit Court.

Eligible State, or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Kroger when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Kroger Agreement represents a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Kroger. Kroger or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Kroger, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Kroger Agreement, such Attorney may

Document received by the MI Wayne 3rd Circuit Court.

participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. Calculation of Amounts Due

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Kroger as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Kroger may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Kroger) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

    a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was

subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

b. The novelty, time, and complexity of the Qualifying Representations;

c. The skill requisite to perform legal services properly and undesirability of the case;

d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support; such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph II.C.4;

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Kroger or any risk for Kroger created by the Applicant in cases against Kroger;

m. Any risk for defendants created by Applicants in cases against Kroger;

Document received by the MI Wayne 3rd Circuit Court.

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Kroger prior to the announcement of this settlement on September 8, 2023;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Kroger Agreement on September 8, 2023, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Kroger Agreement on September 8, 2023, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Kroger Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:

Document received by the MI Wayne 3rd Circuit Court.

a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

   a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

   b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

   c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

   d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

Document received by the MI Wayne 3rd Circuit Court.

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

   a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.

   b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

   a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

   b. Apply the Mathematical Model in Exhibit A.

   c. Use such allocations to determine refund amounts owed to Kroger from the Attorney Fee Fund, and inform Kroger and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Kroger is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow.

Document received by the MI Wayne 3rd Circuit Court.

The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Kroger.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Kroger will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Kroger information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

4. The MDL PEC and Kroger agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision or Settling State to represent a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of

Document received by the MI Wayne 3rd Circuit Court.

the Kroger Agreement until the Effective Date of the Kroger Agreement, as well as thereafter, if the Kroger Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents), including Non-Eligible States or subdivisions in Non-Eligible States. However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination.* If the Kroger Agreement does not proceed past the Reference Date, whether because Kroger does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Kroger shall have no obligation to make any payments under this Fee Agreement, and Kroger and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Kroger Agreement. This Fee Agreement shall also be submitted by Kroger and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Kroger under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Kroger and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Kroger related to fees and costs beyond the amounts described in this Fee Agreement.

2. If Kroger and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Kroger shall have no obligation to make any payments under this Fee Agreement, and Kroger and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante.*

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Kroger and the MDL PEC and (2) approval by the MDL Court.

Document received by the MI Wayne 3rd Circuit Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Kroger as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Kroger, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Kroger Agreement.

Document received by the MI Wayne 3rd Circuit Court.

EXHIBIT A

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Kroger Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Kroger Settlement Agreement.[1] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Kroger Settlement Agreement.[2] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Kroger (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Kroger Settlement Agreement is $35,520,000.[3]

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Kroger Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the $1,200,000,000 Remediation amount [see Exhibit M of the Kroger Settlement Agreement].
- 50% of the 1% share allocated to State A is $6,000,000.

[1] *See* Kroger Settlement Agreement, Exhibit R § II.D.2.
[2] Kroger Settlement Agreement, Exhibit R § II.D.2.
[3] Kroger Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

Document received by the MI Wayne 3rd Circuit Court.

- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $6,000,000, or $60,000.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Kroger in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Kroger in a suit before September 8, 2023, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named Kroger before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's

Document received by the MI Wayne 3rd Circuit Court.

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Kroger in a lawsuit).

Illustrative example:

- $220,000 [from para. 2.b] ÷ $280,000,000 [total amount owed under contingency fee contracts nationwide] = 0.0785714%[4]
- 0.0785714% * $225,493,007.20 [Contingency Fee Fund] = $177,173.01

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Kroger Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Kroger in a lawsuit).

Illustrative example:

- 1% * $225,493,007.20 = $2,254,930.072 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $2,500,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $2,500,000 = 8.8%
- 8.8% * $2,254,930.072 = $198,433.85

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.[5]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool,

[4] In this example, $280 million is the amount theoretically owed under all contingency fee contracts for litigation against Kroger as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

[5] The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

Document received by the MI Wayne 3rd Circuit Court.

while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

EXHIBIT S

State Outside Counsel Fee Fund

1. **Definitions**. This Exhibit incorporates all defined terms in the Agreement. Additionally, the following definitions apply to this Exhibit:

   a. "State Outside Counsel Fee Fund" or "Fee Fund" means the fees portion of the State AG Fees and Costs amount, which is disbursed pursuant to this Exhibit.

   b. "Outside Counsel States" means Alaska and Utah, the two states with litigation brought by outside counsel as of September 8, 2023, when the agreement in principle was announced.

   c. "Retained Amount" means any amount retained by Kroger pursuant to Section 4 below.

2. **Payment**. The amount of the State Outside Counsel Fee Fund is $8 million. It is to be paid by Kroger pursuant to the schedule in Exhibit M-3 and the terms of the Agreement, including this Exhibit.

3. **Allocation**. The State Outside Counsel Fee Fund is allocated evenly between the Outside Counsel States, with Alaska and Utah each eligible for an allocation of $4 million. If both Outside Counsel States are Settling States, the Settlement Fund Administrator shall evenly allocate the Fee Fund portion of the Annual Fees Payments between the two states.

4. **Use of Funds**. An Outside Counsel State may use any or all of a Fee Fund payment for the payment of (or reimbursement for) outside counsel fees and/or for Opioid Remediation.

5. **Retained Amount for Non-Settling Outside Counsel States**. If an Outside Counsel State is a Non-Settling State, then its Fee Fund allocation shall not be paid by Kroger. The Retained Amount shall be applied to the back end of all payments for State AG Fees and Costs and the Additional Remediation Amount.

For example, if one Outside Counsel State is a Non-Settling State, then the following would occur:

   i. The $4 million Retained Amount would be applied to Payment Year 6 and there would be no payment that year for the Fee Fund, State Cost Fund, or Additional Restitution Amount.

   ii. The full Payment Year 3 Fee Fund payment would be made to the Outside Counsel State that is a Settling State.

   iii. The two Additional Remediation payments will move up a year and be paid in Payment Years 4 and 5.

Document received by the MI Wayne 3rd Circuit Court.

EXHIBIT T

State Cost Fund

1. **Definitions**. This Exhibit incorporates all defined terms in the Agreement. Additionally, the following definitions apply to this Exhibit:

a. "Agreement on the Joint State Cost Fund" means the Agreement on the Joint State Cost Fund, which is Exhibit T to the multistate settlement agreements with Allergan Finance, LLC, CVS Health Corporation, Teva Pharmaceutical Industries Ltd., Walgreen Co., and Walmart Inc.

b. "Joint State Cost Fund" means the fund for state costs established by the Agreement on the Joint State Cost Fund.

c. "Joint State Cost Fund Committee" means the committee established to oversee the Joint State Cost Fund pursuant to the Agreement on the Joint State Cost Fund.

d. "Litigating States" means Alaska, Utah, and Washington, the three states with active litigation as of September 8, 2023, when the agreement in principle was announced.

e. "Priority Payment" means a payment to a Litigating State that becomes a Settling State for Kroger-related costs that is made pursuant to the requirements of Section 4 below.

f. "State Cost Fund" means the State costs portion of the State AG Fees and Cost amount, which is disbursed through this Exhibit.

2. **Payment.** The amount of the State Cost Fund is $8 million. It is to be paid by Kroger pursuant to the schedule in Exhibit M-3 and the terms of the Agreement, including this Exhibit. The amount to be paid by Kroger into the State Cost Fund will be reduced by $2 million for each Litigating State that does not become a Settling State. The Retained Amount shall be applied to the back end of all payments for State AG Fees and Costs and the Additional Remediation Amount.

3. **NAAG Grant Reimbursement**. From the initial State Cost Fund payment in Payment Year 1, there shall be a disbursement to the relevant NAAG fund for any opioid grant reimbursement amount that is owing and is not scheduled to be paid from another source. Any initial NAAG grant reimbursement paid from the State Cost Fund pursuant to this provision shall not exceed $1.5 million. The foregoing sentence is not intended to limit reimbursements to NAAG from the Joint State Cost Fund.

4. **Priority for Litigating States**. Each Litigating State that becomes a Settling State is eligible for a Priority Payment of up to $2 million per state from the State Cost Fund for Kroger-related costs. The process for such priority payments is as follows:

Document received by the MI Wayne 3rd Circuit Court.

a. The Litigating State will provide the Joint State Cost Fund Committee with a written statement of the amount of its Kroger-related costs and a request for a Priority Payment of such costs up to $2 million. The Litigating State will certify that these costs are eligible for reimbursement pursuant to the requirements the Joint State Cost Fund Committee has established for payments from the Joint State Cost Fund.

b. The Priority Payments to Litigating States shall be made from the amounts Kroger pays to the State Cost Fund in Payment Years 1 and 2.

c. If there are not sufficient funds to fully pay any NAAG grant reimbursement amount and all Litigating State Priority Payments in Payment Year 1, then the $4 million Year 1 State Cost Fund payment shall fully cover the NAAG reimbursement amount and the remaining amount shall be allocated equitably among the Litigating State Priority Payments pursuant to instructions from the Joint State Cost Fund Committee. The remaining priority payment amounts shall be paid from the Payment Year 2 State Cost Fund payment.

d. Litigating States receiving a Priority Payment shall submit the costs covered by such payment to the Joint State Cost Fund Committee (or its auditor) so that the Committee may account for the expenses and their reimbursement in processing applications for any payments from the Joint State Cost Fund and otherwise confirm the eligibility of such expenses. If such submitted expenses are determined by the Committee to be ineligible pursuant to the requirements the Joint State Cost Fund Committee has established for payments from the Joint State Cost Fund, the recipient will refund the amount of any such ineligible expense to the Joint State Cost Fund.

5. **Eligibility for Joint Cost Fund Payments**. While they will be credited with having received Priority Payments, Litigating States receiving Priority Payments remain eligible to apply for cost reimbursement from the Joint State Cost Fund for expenses not covered by the Priority Payments. Should a Litigating State receive additional funds for remediation or fees from Kroger outside of this Agreement, such additional funds shall not affect such State's eligibility for reimbursement of costs from funds paid into the Joint State Cost Fund from the Kroger State Cost Fund payments.

6. **Remaining State Cost Fund Amounts**. State Cost Fund payment amounts that are not directed to NAAG grant reimbursement or to Litigating State Priority Payments pursuant to this Exhibit shall be directed to the Joint State Cost Fund to be disbursed pursuant to the Agreement on the Joint State Cost Fund.

7. **Clarification**. No State that is not a Settling State may receive payments from the State Cost Fund.
